

BOROUGH OF BROXBOURNE COUNCIL

THE BOROUGH OF BROXBOURNE COUNCIL (BOROUGH OFFICES BISHOPS' COLLEGE CAR PARK SOUTH)(OFF-STREET PARKING PLACES) AMENDMENT ORDER 2021

The Borough of Broxbourne Council, in order to introduce electric charging places in the Borough Offices Bishops' College Car Park South, proposes to make the above Order under the Road Traffic Regulation Act 1984. The general effect of the Order will be to create electric charging places where vehicles can wait at any time whilst charging the vehicle battery.

In preparation of this scheme, The Borough of Broxbourne Council has considered the duty imposed on them by Section 122 of the Road Traffic Regulation Act 1984 and consider that it is necessary and expedient to make the Order for the purpose of facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and for preserving or improving the amenities of the area through which the road turns.

Consultation is being undertaken by the Borough Council, with local and County Councillors representing the area, affected residents and business. The local Police, Ambulance, Fire and Rescue Service, Highway Authority and Hertfordshire County Council Passenger Transport Unit are also being consulted.
