Hi,

I, as one of the very close residents of Homebase and the only one with a balcony/terrace with a view to homebase, HIGHLY ENCOURAGE this planning to go ahead, I think it will be very convenient for all residents and the future of Broxbourne (even though I do not shop with ALDI personally) - So Dear Marie Laidler please look into this planning application with a positive thought. L

Kind Regards,

44 Sawyers Court
