STATEMENT OF REASONS

THE HERTFORDSHIRE (BURY GREEN ROAD AND TUDOR AVENUE, CHESHUNT) (RESTRICTION OF WAITING) ORDER 2019

The Hertfordshire County Council is proposing to introduce waiting restrictions in order to improve road safety in part of Cheshunt.

The proposals include:

- 'No waiting at any time' restrictions at the junction of Bury Green Road and Tudor Avenue.

The restrictions are proposed to provide junction protection of Tudor Avenue and Bury Green Road, to help keep a clear visibility of the junction through deterring obstructive parking and enhancing visibility.

Vehicles being parked at the junction of Tudor Avenue and Bury Green Road and obstructing residents from accessing the highway and their driveways. As a result road users' sight lines are obstructed and limited by the parked vehicles. Furthermore the parked vehicles also obstruct the footway and therefore cause issues to pedestrians who use the footway.

Therefore, it appears to the Highway Authority, having also considered the duty imposed by Section 122 Road Traffic Regulation Act 1984, that it is necessary and expedient to make an Order in the interests of avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising, for preventing damage to the road or to any building on or near the road, for facilitating the passage on the road or any other road of any class of traffic (including pedestrians) and for preserving or improving the properties in the area through which the road runs.

The proposal has been subject to consultation with local and County Councillors representing the area and Broxbourne Borough Council. The local Police, Ambulance, Fire and Rescue Services, Hertfordshire County Council Passenger Transport Unit and local residents have also been consulted.
