

Subject: Objection to Fairmead, 90 Cuffley Hill

Dear Sir / Madam,

I wish to formally object to the following application for development:

"Fairmead, 90 Cuffley Hill"

Logic absolutely dictates that his CANNOT go ahead.

We do not have anything like the required infrastructure, the schools, the shops, the roads to tolerate this many new dwellings.

Cuffley hill is already overwhelmed. There is one road in, and one road out of Cuffley. We CANNOT allow this to go ahead.

Kind regards,

James McManus
