102 Cuffley Hill

Goffs Oak

Herts EN7 5EY

There is enough building going on in Goffs Oak, Cuffley and surrounding areas. The existing roads, schools and doctors cannot cope with current traffic and facilities. As soon as there is a problem on the M25, most days, Cuffley Hill becomes a car park, nothing moves. Going up the hill most days about 5pm the traffic is bumper to bumper, and the mornings without problems on the M25.

Also, the disturbance to the wild life, the birds the deer should not be happening, they are in their natural environment and this should not be changed.

There is enough building going on and traffic lights, lorries. We know first had living next door to Edwards, we have had 2 years of dust, lorries, being woken at 6:30 in the morning. all this building is not fair on the current residents of Goffs Oak and Cuffley. It must stop.
