**36 Millcrest Road**

**Having grown up in Wood Green North London I moved out to Goffs Oak 16 years ago.**

**Broxbourne council is slowly but surly eroding away the rural feel of Goffs Oak that I loved with over development. The village doesn't have the infrastructure or road network to take all the development that's going on at the moment! CG Edwards site that's ongoing, InEx nurseries that's yet to start. Opposite InEx where AJ tyres used to be, another development. The Hendricks Green site. More fields on Crouch lane (a tiny little country lane) being developed. Its a matter of time before the old nurseries on Hammond Street are developed on.**

**All within a mile or so of each other.**

**A proposal that rips up trees, disturbs wildlife and put even more strain into an already congested village should be dismissed out of hand**

**Object to proposal**
