**Scott**

**6 Jones Road**

**Goffs Oak**

**I have just read the statutory report from HMWT. It would appear on page 28 that the developers have certain obligations to adhere to. Including regular bouts of street cleaning and drainage maintenance.**

**The road system within a short distance of the centre of Goffs Oak is being spoiled by mud and with an accumulation of debris. I have reported, to the Council, on a couple of occasions of the poor attention (excessive mud on the road) that is being given by developers along St James Road. This road was yet again badly spoiled with mud this afternoon. Many roadside drains along the B156 and Newgatestreet Road are blocked and the grass verges along the B156 are being slowly trashed by the massive increase in construction traffic. The situation is dire. Goffs Oak village is fast becoming apocalyptic. The carnage will get a lot worse. It would appear that nobody cares and that monetary greed is the 'name of the game'. We do not need any more new houses. Object to proposal**
