Da rosa

27 Robinson Avenue, Goffs Oak

Goffs Oak

Dsar broxbourne council,

I am writing in to let you know how the over development of our village is impacting on the wildlife , traffic and ultimately services like the gp which are already stretched .

It seems like the council have no limits as to how many houses will be erected in Goffs oak. It has destroyed our village as we know it and has displaced or killed much of our wildlife.

When I first moved here in 2008 the muntjacs would bark regularly every night now we barely hear them. It's so sad that no one in the council has any concept of the impact all this development is having.

The traffic in the village has become unbearable and is comprising the air quality which is already below acceptable levels due to the m25. For these reasons I oppose any more development here in goffs oak including the fairmead site.

Your sincerely

Mary da rosa
