Planning Inspector

3<sup>rd</sup> August 2022

Dear Sirs,

**Reference: APP/W1905/W/22/3300254**

We would like to oppose the 58 dwellings being proposed at Fairmead Site off Cuffley Hill.

We feel that Goffs Oak has been spoilt by overbuilding and if this was allowed to go ahead disobeying the Council's decision to refuse the proposal, it would cause far more traffic congestion in the area.

If the Council are overruled, which it should not be, this would be unlimited building in the Countryside. As the Council would have no say in any decision made in the area. That is the whole reason we have a Council in the first place. People who know the area and only want the best for it.

Not only is it the traffic, we do not have enough amenities such as schools, doctors and dentists etc, and the congestion on the roads already show how overbuilt the area has become.

Also, we think it is an environmental disaster, it's not a brown field site.

We are annoyed, rejection to the Council's decision.

Yours faithfully,

Mr & Mrs P Smithies.
