

Subject: REF 07/19/0200/F
Importance: High

To whom it may concern

I am writing to express my objection for the development on the Fairmead site, ref. 07/19/0200/F; this would worsen the already-overdeveloped Goffs Oak with no new roads/ new rail tracks being built. I work for the NHS and like others who need to commute to go to work will find it more difficult to navigate through traffic to get to work.

Please let me know who I need to forward this concern to, I look forward to your reply.

Regards

Dr Yvain Rumalean

... sorry, forgot to also add that I am concerned about the negative environmental impact on the community's physical and mental health in addition to my earlier expressed reasons objecting to this development; I hope this could also be added onto relevant website, please ...

I look forward to your reply following my earlier email, thank you in anticipation.
