17 Millcrest Road

Goffs Oak

Waltham Cross

This development is too big for the land on which it is planned. The occupants of 58 dwellings all accessing Cuffley Hill. This road is already gridlocked in the morning and evening peaks, and should there be trouble on the M25 between junctions 24 and 25 (a daily occurrence if you listen to traffic bulletins) the road grinds to a halt. The adjacent Millcrest Road is already a rat run which is a danger to school children and residents due to the speed drivers race through cutting off the corner between Culley Hill and Newgate Street Road. Not to mention the fact you cannot get a doctors appointment or a place in Goffs Oak primary school. We need more services for existing residents not more residents.
