

Subject: Object to application proposal 07/19/0200/F

Name: Elena A

Address: Millcrest Road

Comments: We categorically object to the proposal to build more dwellings in Goffs Oak. It is completely unsustainable. The infrastructure in Goffs Oak is already severely overstretched with Cuffley Hill being a problematic bottle neck as it is.

We must fiercely protect our wildlife, our countryside and our overall well-being.

Overall View: Object!
