Dear Sir

NO MORE NEW HOUSES

I am having difficulty to understand the reason why Broxbourne Council are agreeing to the building of an exorbitant amount of new housing in Goffs Oak.

I have written before expressing my concerns with regard to the amount of traffic which this will create on the already congested roads, plus the Doctors and schools already full to bursting.

I hope you will not just delete this email, but at least give us residents in Goffs Oak some thought and consideration.

Yours faithfully

Mrs M Bassett
