YOUR COMMENTS ON THE CASE

Hello,

Please find attached as separate documents Hertfordshire County Council's representation as an interested party to the above case. This in total includes one document and 25 appendices.

A number of appendices were too large to upload and I have therefore dealt with these as follows:

- Appendix B is the Case Officer's report and I trust that the Inspector will have a copy as a matter of course
- Appendix E is a map of the relevant school planning area and I will email this to you separately
- Appendix Q is the Inspiring Libraries strategy and I will also email this to you separately

Please note that the Highways service may provide comments separately if required.

I hope this makes sense.

Best wishes,

Charlie Thompson
