Dear Sirs

RE: THIRD PROPOSAL FOR THE DEVELOPMENT OF THE FAIRMEAD SITE

I have been informed by neighbours in Robinson Avenue about the proposed development of 58 dwellings at the Fairmead Site.

Whilst this does not affect me personally in respect of the construction itself, I am concerned about the effect this will have on the local amenities, ie; GP Surgeries, Dental Practices, Hospitals and Schools.

Another important point to take into consideration is the amount of traffic this development will generate which will filter out onto Cuffley Hill/Goffs Lane. This is already a very busy thoroughfare.

This proposed development will deviate from the Goffs Oak Village location which I have enjoyed for the last 36 years.

Yours faithfully

MRS E BALL
