

Broxbourne Youth Council Minutes

2 November 2022

Cheshunt Young People's Centre

Attendees: Adesola Jinadu-Adewale, Liam Pledger, Jamelia Weg-Nour, Keira Moles, Jake Reece, Tate Lambie, Enrique Pereira-Grosso

Apologies : Ethan Yardley

Facilitators: Emma Elsafty (Broxbourne Borough Council), Linton Sutherland and Natasha Morgan (Services for Young People)

1. Welcome and Introductions

2. Guest Speakers Feedback

The survey was very intrusive and didn't see much point in answering as who is going to actually read it or listen to it.

The Youth Commissioners pitch was okay but could have been better. The actual event was attended by Enrique and he said it was interesting but he probably wouldn't go back again.

3. Youth Award Nomination

Services for young people are running a youth award and the youth council has been nominated and invited to County Hall next week at 6:30pm. However there is a train strike on that day so it may be difficult to get there.

4. Joint YC Meeting Agenda

Previously we spoke about feeling good week but this time we would like to speak about our Christmas indicative and see if anyone had any advice or suggestions. Mention social media and doing a group community question time with other youth council

The Idea-

We will package to Valuable people in Broxbourne to help them through the winter period.

We will include – Tinted goods/long life food/Household essentials. We will also ask the question to the warm places and community partnerships if there is anything we can help with.

Things to ask;

What difficulties could we run in to?

Would you want to help?

Have you done or plan on doing something similar?

What else would you include in the packs?

Where shall we donate it too?

5. Police and Crime Commissioner Training

6. Debate

Should we ban fireworks?

Should Matt Hancock be going on I'm a celeb

7. AOB

8. Emma to ask steve to mention at the partnership meeting if the youth council can be involved in things at xmas time
