### Notes for filling in the claim form

#### About this form

The Housing Benefit and Council Tax Reduction form has been specially designed to be easy to fill in. It is long, but we have to ask a lot of questions to make sure that everyone who claims gets the right amount of benefit.

You may not have to fill in all parts of the form, but you must fill in any part that is relevant to you. Every part starts with a question to help you decide if you need to fill it in.

### **Second Adult Rebate**

The Council Tax Reduction is available if you share your home with someone who is not your partner, is on low income, is 18 years or over and does not pay you rent.

If you are claiming Second Adult Rebate, only fill in Parts 1, 3, and 13.

#### **Evidence**

We need to see evidence of some of the things you tell us about. If you are not sure if we need to see evidence of something, get in touch with us. We will tell you what we need to see. We cannot pay you benefit until we have seen the evidence we have asked for. You can provide the evidence required by post, email or via the Council's website.

### How we collect and use information

We will use the information you give in this form, and any supporting evidence you send us to process your claim for Housing Benefit, Council Tax Reduction and any other Welfare Benefits.

We may pass the information to other agencies or organisations such as the Department for Work and Pensions and HM Revenue and Customs, as allowed by law. We may check information you have provided, or information about you that someone else has provided, with other information we hold. We may also get information about you from certain third parties, or give them information, to:

- · make sure the information is accurate; and
- prevent or detect crime; and
- · protect public funds.

These third parties include government departments, local authorities and private-sector companies such as banks and organisations that may lend you money.

We will not give information about you to anyone else, or use information about you for other purposes, unless the law allows us to.

The Council is the data controller for the purposes of the Data Protection Act 1998. If you want to know more about what information we have about you, or how we use it, please ask us.

### Changes you must tell us about

Tell the Council straight away if;

- any of your children leave school or leave home; or
- anyone moves in or out of your home (including lodgers, joint tenants and subtenants); or
- your capital exceeds the government limit of £16.000.
- you or anyone living with you becomes a student; goes on a Youth Training Scheme; goes into hospital or a nursing home; goes into prison; changes or leaves a job; or
- · your rent changes; or
- · you move house; or
- you or your partner are going to be away from home for more than a month; or
- · you receive any decision from the Home Office; or
- · anything you have told us about changes.

You must tell us about these changes in writing - a phone call is not enough.

If you don't tell us about these changes, you may lose money you are entitled to or you may get too much benefit.

You must make sure you tell us about these changes. Don't rely on someone else to pass on the message.

It is an offence not to tell us about any change of circumstance that affects your benefit.

We may take court action against you.

If we pay you too much benefit, you will probably have to pay it back.

If you cannot send the evidence we need at the moment, send the form back to us now and send the evidence later. We can start to

I understand that once I have selected a payment method, the Council cannot change it without written instructions. I understand that if payments go to my landlord or agent, they must agree in writing to any change.

If you have not got a current or basic account, and have previously been unable to open one, banks have leaflets giving details of the new Basic Bank Accounts you can open. With a Basic Bank Account you will receive a cash-machine card, which you can usually use to draw cash in post offices, but not a debit card, cheque book or overdraft.

If you can't open any sort of bank account, or can't manage a bank account, we may be able to pay your Housing Benefit by cheque. Please explain here why you can't open a bank account or receive payment direct to an account.
